

Approved ATO's and AQB's

The following list details the AINDT approved Authorised Training Organisations (ATO) and Authorised Qualifying Bodies (AQB) for NDT.

Effective Date: 1 May 2026

Definitions:

Authorised Qualification Body (AQB)

Body, independent of the employer, authorised by the certification body to prepare and administer examinations.

Authorised Training Organisations (ATO)

Body, authorised by the certification body to provide training.

Examination Centre

Centre approved by the certification body where qualification examinations are carried out.

Structured Experience Program (SEP)

Program approved by the certification body to reduce industrial experience.

Refer to pages 2 – 4 for details.

AQB's & ATO's

Name: ATTAR (Advanced Technology Testing & Research)

Website: www.attar.com.au

Approved for remote examination centres: Yes

Approved for Structured Experience Program: Yes

Name: Kuzer Technical

Website: www.kuzer.com

Approved for remote examination centres: Yes

Approved for Structured Experience Program: Yes

Name: Protec Global

Website: www.protecsglobal.com.au

Approved for remote examination centres: Yes

Approved for Structured Experience Program: Yes

Name: SRG Global

Website: www.srgglobalassetcare.com.au

Approved for remote examination centres: Yes
