Notes:

- If more than one referee is applicable, please use multiple statements of experience documents to be attested to individually.
- Where dates covered by the referee do not cover the full period, multiple referees may be required. If more than one referee is applicable, please use multiple sheets for statement by referee.
- Ensure sufficient detail is provided to cover the scope of your application.

I, the applicant declare that the above summary is a true and accurate statement of experience for the nominated method, level and sector.

I understand that false or misrepresentation of the above would be considered a breach of the AINDT code of ethics.

I have read and understand the AINDT Guide to certification NDT005, specifically the requirements for ongoing certification.

Statement By Referee

As defined by ISO 9712, supervision of candidates gaining experience by NDT personnel certified in the same method under supervision or by non-certified personnel who, in the opinion of the certification body, possess the knowledge, skill, training, and experience required to properly perform such supervision.

Referees not holding appropriate ISO 9712 certification must supply evidence of knowledge, skill, training, and experience required to properly perform such supervision.
