Notes:

a) If more than one referee is applicable, please use multiple statements of experience documents to be attested to individually.

b) Where dates covered by the referee do not cover the full period, multiple referees may be required. If more than one referee is applicable, please use multiple sheets for statement by referee.

c) Ensure sufficient detail is provided to cover the scope of your application.

d) In the case where the applicant performs additional work activity in the method that is not specifically testing, e.g.: supervision, mentoring, review of reports etc., a detailed letter from the employer that clearly outlines these activities, dates and durations may also be considered towards supplementing the continued activity requirements.

I, the applicant, declare that the above summary is a true and accurate statement of experience for the nominated method, level and sector. I understand that false or misrepresentation of the above would be considered a breach of the AINDT code of ethics.

I have read and understand the AINDT Guide to certification NDT005, specifically the requirements for ongoing certification.
